

## **Kent and Medway** **NHS and Social Care Partnership Trust**

### **WOODWORK VOLUNTEER**

We are looking for a skilled and enthusiastic woodwork volunteer to hold woodworking workshops for our patients at Dartford, using the variety of tools available at our workshop. This is a unique role where you have the opportunity to lead, be creative and use your skills to support our patients to create new items and learn basic woodworking skills.

You will not be on your own with patients - there will always be a member of staff present.

You must have suitable qualifications for this role or experience.

You will be able to plan and lead activities to produce items using a range of woodworking skills.

You will make a difference (directly or indirectly) to our patients. You will benefit from helping or supporting other people, using existing or learning new skills, gaining confidence, being creative, responding to challenges, and being with other people. You may feel satisfaction from playing a positive role in someone else's life. If you're looking for work, you will gain valuable experience for your CV.

If you would like to find out more about this unique volunteering opportunity, please contact Helen PIRILLA, Voluntary Services Coordinator at [helen.pirilla@nhs.net](mailto:helen.pirilla@nhs.net)
